EXPERIENCE

JUNE 2023 – PRESENT

GERMAN TUTOR, PEER ASSISTANT LEARNING PROGRAM, WASHINGTON AND JEFFERSON COLLEGE, WASHINGTON, PA

- I assist students with their German course work.

JUNE 2023 – AUGUST 2023

INTERN, AMERICAN ASSOCIATION OF TEACHERS OF GERMAN

- This project aimed to link school locations with federal income tax to identify schools with less resources to benefit grants for existing German programs. Information from federal sources needed to be aligning with the school records through Excel coding.
- A second goal of the project was to create a visually appealing and user-friendly map for the web page of the German education program to support easy and fast comprehension for visitors. Here, the target users of the visualization needed to be identified first to then create visuals directed to their specific needs and preferences.

FEBRUARY 2022 – NOVEMBER 2022

RESEARCH ASSISTANT, WASHINGTON AND JEFFERSON COLLEGE, WASHINGTON, PA

- Research grant - Change to Change Live STEM:
This project aimed to explore the practicality of integrating a social robot into the academic, social, business, and other environment contexts of a college campus. It included user studies, conducting interviews with students, data analysis, Java Script programming, and a cloud-based data administration.
- The robot utilized Alexa Skill and was created in the Alexa developer console.

SEPTEMBER 2022 – NOVEMBER 2022

INTERN, THE PATH GROUP, BERLIN, GERMANY

- Developed the company's websites.
- Designed and studied user interactions with the company's applications.

OCTOBER 2021 – APRIL 2022

AFTER SCHOOL INSTRUCTOR, SPARK FOR GERMAN, LEMOYNE COMMUNITY CENTER, WASHINGTON, PA

- Taught German to six- to ten-year-old children in an after-school program at a local multicultural community center.
- Participated in planning lessons and online training.

MAY 2018 – PRESENT

BABYSITTER, SELF-EMPLOYED, PITTSBURGH, PA

- Cared for children between the ages of 3 and 10, including assistance with homework and virtual school lessons, preparing meals, providing creative activities and learning opportunities, and ensuring the children's safety.
